✓ Please place my application in the "withdrawn" status.

Thanks for your help

We wanted to call this newly-filed application to your attention. The application is so new, that it does not contain a docket number yet. It appears that the Applicant is requesting Non-emergency authority using existing taxi cabs. I understand that such proposals may have raised questions in the past, and we decided to make you aware of this issue early.

Thank you in advance for your help and consideration.
